

REJILLA MESH

A technical cross-section drawing of a door frame and door leaf. The drawing is enclosed in a circle. It shows the internal components of the hinge, including the hinge pin, the hinge leaf on the frame, and the hinge leaf on the door. The door leaf is shown in an open position, revealing the internal structure and the hinge mechanism. The frame is shown in a cross-section, with the hinge leaf mounted to it. The door leaf is shown in a cross-section, with the hinge leaf mounted to it. The drawing is a black and white line drawing, typical of technical drawings.
